## ~Phil's Corner~

### Don't Wait to be Happy

We convince ourselves that life will be better after we get married, have a baby, then another. Then we are frustrated that the kids aren't old enough and we'll be more content when they are. After that, we're frustrated that we have teenagers to deal with. We will certainly be happy when they are out of that stage.

We tell ourselves that life will be better when our spouse gets his or her act together, when we get a nicer car, when we are able to go on a nice vacation, or when we retire.

The truth is there's no better time to be happy than right now. If not now, when? Your life will always be filled with challenges. It's best to admit this to yourself and decide to be happy anyway.

Happiness is the way. So, treasure every moment that you have and treasure it more because you shared it with someone special, special enough to spend your time with . . . and remember that time waits for no one. So, stop waiting . . .

Until your car or home is paid off  
Until you get a new car or home  
Until your kids leave the house  
Until you go back to school  
Until you finish school  
Until you lose 10 lbs.  
Until you gain 10 lbs.  
Until you get married  
Until you get a divorce  
Until you have kids  
Until you retire  
Until summer  
Until spring  
Until winter  
Until fall

There is no better time than right now to be happy. Happiness is a journey, not a destination.

So work like you don't need money,  
Love like you've never been hurt,  
And dance like no one's watching

## Moments in time THE HISTORY CHANNEL

¥ On Oct. 27, 1659, William Robinson and Marmaduke Stevenson, two Quakers who came from England in 1656 to escape religious persecution, are executed in the Massachusetts Bay Colony for their religious beliefs. The Massachusetts General Court had banned Quakers from the colony under penalty of death.

¥ On Oct. 26, 1825, the Erie Canal opens, connecting the Great Lakes with the Atlantic Ocean via the Hudson River. Teams of oxen plowed the ground, but for the most part the work was done by Irish diggers who had to rely on primitive tools.

¥ On Oct. 24, 1861, workers of the Western Union Telegraph Company link the eastern and western telegraph networks of the nation at Salt Lake City, Utah, completing a transcontinental line that for the first time allows instantaneous communication between Washington, D.C., and San Francisco.

¥ On Oct. 28, 1919, Congress passes the Volstead Act, providing for the enforcement of the 18th Amendment, which banned the "manufacture, sale, or transportation of intoxicating liquors for beverage purposes." Despite a vigorous effort by law-enforcement, the Volstead Act failed to prevent the large-scale distribution of alcoholic beverages.

¥ On Oct. 25, 1929, during the Teapot Dome scandal, Albert B. Fall, secretary of the interior, is found guilty of accepting a bribe while in office. Fall was the first individual to be convicted of a crime committed while a presidential cabinet member. The Teapot Dome was a naval oil reserve in Wyoming.

¥ On Oct. 23, 1942, Michael Crichton is born in Chicago. During his final year of medical school, the 6-foot, 9-inch Crichton published "The Andromeda Strain" (1969) and decided to write full time instead of practicing medicine.

¥ On Oct. 22, 1975, Air Force Sgt. Leonard Matlovich, a decorated veteran of the Vietnam War, is given a "general" discharge by the Air Force after publicly declaring his homosexuality. His tombstone reads, "A gay Vietnam Veteran. When I was in the military they gave me a medal for killing two men and a discharge for loving one."

**Where Did Cat Rocks at Cascade Park Get the Name?**  
By Betty Hoover DiRisio, Volunteer

According to an old newspaper account, many years ago when New Castle was a village and wild animals were frequently encountered, two wild cats, a male and a female, waged war upon the fowls and other small animals belonging to the farmers of the area. This loss of livestock became intolerable, and a party was organized to hunt the beasts and track them to their den. They were finally located in a cave in the rocks below Big Run Falls, where they were killed. Thus these rocks were given the name "Cat Rocks".

#### THE BOLD AND THE BEAUTIFUL

Katie warned Bill that he could be facing charges regarding his dealings with Deacon. Donna overheard the conversation and vowed to tell Hope what really happened in Italy. Liam and Steffy's romantic rendezvous was no longer a secret. Brooke arrived home from her honeymoon without the groom. Bill received the bittersweet news that he'd finally gotten what he wanted -- Hope and Liam were officially done. Caroline and Rick fantasized about running the company together. Brooke met Katie's newborn daughter. Everyone anxiously waited to learn who would replace Ridge as CEO of the family business. Wait to See: Rick and Thomas get into a physical altercation. Pam sets Donna straight about Eric.

#### DAYS OF OUR LIVES

Nick blackmailed Chad into keeping quiet about Gabi's involvement in Melanie's kidnapping. Rafe warned Sami not to trust EJ, but couldn't give her any further details. Will was still hopeful that Sami and Rafe would find their way back to one another. Nicole overheard Daniel admit that he still loved Jennifer. Caroline encouraged Bo to take a leap of faith when it came to his long-term goals. Sam and Rafe shared a passionate kiss after realizing that they were finally free of EJ's clutches. Sami asked Rafe point blank if he was really the father of Nicole's child. Nick and Gabi shared a surprise kiss. Bo handed in his resignation. Wait to See: Stefano contacts EJ. Nicole takes a fall.

#### GENERAL HOSPITAL

Sonny told Kate that there was something he needed to tell her after their wedding (that Trey was her son). Sam and McBain found themselves in the heat of passion. Maxie was hurt when Spinelli brought a date to the wedding. Tracy admitted to Monica that she wasn't able to resist Joe Jr.'s charms when she was supposed to break up with him. Tea greeted John at the door only to find that Victor was missing. Starr was disillusioned by Johnny's betrayal. Later, Carly had a meltdown in front of Todd. Steve apologized to Olivia for not believing in her premonitions. Wait to See: Duke makes his intentions clear. Heather feels cornered, which never turns out well.

#### THE YOUNG AND THE RESTLESS

Someone used Sheila Carter's name to spring Daisy from the hospital. Danny and Christine shared a romantic reunion. Nina was appalled that Ronan risked his career for Phyllis. Daniel asked Heather to help him get a divorce from Daisy. Avery and Nick celebrated Faith's birthday while Sharon remained behind bars. Nikki received her divorce papers from Jack and then met up with Victor to pick up where they left off. Nick vowed to make Tucker pay for the pain he caused his family. Sarge was hurt that Harmony didn't remember him from Pittsburgh. Ricky's knife was found, but had been wiped free of fingerprints. Wait to See: Chloe caves in to Michael's interrogation. Nick and Phyllis have an epic fight.

**How It Works:** Local businesses want to reward you for your loyalty and support by offering you special deals on everything from your daily coffee to a new roof for your house. These rewards can save you a few cents on a car wash or a few hundred dollars on car repair. And, the best news is - the cards are valid for one full year! Our members will post their ever-changing "Rewards" right here on the site. All you need to do is show your own Local Rewards card to the vendor in order to receive their special reward.

**How Much Does It Cost?** As we launch the Local Rewards program, we'll be selling the cards at a reduced rate of only \$10. (That is less than \$0.03 per day for access to major savings while supporting the local community!) We do anticipate this price to increase soon, so don't wait, buy early - buy often! They also make fantastic gift cards!

**Where To Buy:** The Local Rewards cards are popping up all over town. You can find them at: Little Johnny's II, Hill House Restaurant, Shipping Depot+, Wilson's Automotive, Family Craft Center, Pizza Mans Pizza, Sons of Italy, & Cast's Bakery in **New Castle**, Lori L's Hair Care Studio, Grand Paws, Five Two Six Salon, Blocher Jewelers, Soother Tanning, & Puff n' Smoke in **Ellwood City**, Scrap Booking Expressions, Township Tan, Favorite Automation & Hot Headz Family Hair and Nail Salon in **Union Twp.**, Mister Bs, Glo-Tique Sun Spa, Dairy Queen, Bunny's Card Shop, & Complete Design in **Neshannock Twp.**, Rebecca's Salon, Spa, & Boutique in **New Wilmington**, Italian Take Out in **Pulaski Twp.**, Paramount Physical Therapy, Shenango Sunoco, Gold East & Mister B's in **Shenango twp.** Country Corner Bake Shoppe in **Laurel**, Neshannock Creek Inn in **Volant** and more to come. You can also find them through various **fund-raising campaigns**, or you can always buy them **directly from us**. Depending on where you purchase your Local Rewards card, a hefty portion of the proceeds will go toward supporting a non-profit, a school sports team, or the RelyLocal campaign to help stimulate the local economy.
